Incident Summary: On February 13, 2022, officers were dispatched to the 2400 block of Indianola Ave on report of a residence being struck by gunfire. The victim advised responding officers her residence had been struck a single time, and officers saw there was what appeared to be a hole on the second floor siding of the east of the dwelling between the upstairs windows. Once inside, it appeared the round penetrated the wall stud and ricocheted slightly to the right (north) penetrating the drywall. Officers could not determine where it was finally lodged as they could not find any additional structural damage. This incident may be related to a shots fired call for service just down the street near the 400 block of Maynard Ave. This incident is still under investigation and anyone with information is asked to contact Burglary Unit Detective Jeff Neely #2241 at (614) 645-2047, or Central Ohio Crime Stoppers at (614) 461-TIPS (8477).
